Commissioner for Patents

The information disclosure statements (IDSs) (dated 27 July, 2001, and 15 February, 2002) that accompanied the communication dated 03 February, 2006, fail to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered. Applicants state that these IDSs were provided earlier, however, no such electronic record of these documents is present. Additionally, none of the cited references were present in the electronic application. Applicants are invited to resubmit these IDSs along with the proper mailing documentation. Legible copies of each reference should also be provided pursuant to 37 CFR 1.98(a)(2). Applicants should clearly identify any documents that were submitted in an earlier filed copending application if they are not providing additional copies.
